Conditions of Use and Limited Use

1. eBook Usage Terms and Conditions
Publicly-accessible ebooks, texts, and images

While many of these items are made publicly-accessible, they are not all public domain -- the vast majority of the images, and a number of the texts, including all of those from the World Public Library Membership Section, are copyrighted to the World Public Library, for example, and a number of other texts are still copyrighted to their original print publishers and made available here with permission. We have put thousands of hours of work -- and tens of thousands of dollars into the digital development of these intellectual properties, and we hope the results are useful to a broad audience.

In the Public Access Section the works in those collections are those of numerous consortia. Because of contractual obligations with the consortia member who supply the eBooks, texts, and images access to their mirrored holdings are
